

Chapter Information

MISSION: greenschools is a non-profit organization whose mission is to create Greener & Healthier learning environments through education and awareness. We address issues pertaining to: Indoor Air Quality [Green Cleaning], Nutrition, and The 3Rs...Reduce, Reuse, Recycle.

WHAT IS A CHAPTER? A Chapter is a group of individuals in an area working towards a common goal. Having chapters allows us to “keep it green” and to better support our local schools/communities on creating greener & healthier learning environments through education and awareness.

HOW YOU CAN HELP US: By volunteering your time to educate others, you can help to make a difference in the lives of many. We ask that you run/attend a minimum of 4 meetings in the course of a year. [If your chapter is small, you can collaborate with another chapter. Additional support will be provided over the phone, on conference calls, etc... We are here to help you make your chapter a success!]

The greenschools organization runs meetings on a monthly/regular basis. We ask chapter leaders to dial in to a conference call once a month to find out what is going on, to ask questions, and to see how we can be of further service to our communities. [WE ARE IN THE PROCESS OF REVAMPING THIS PROGRAM. MORE INFORMATION COMING SOON...]
